

## Band 1 - Mathematic Tracker

Place Value	I can count forward to 100 beginning from 0 or 1			
	I can count forward to 100 beginning from any number			
	I can count forward beyond 100 beginning from any number			
	I can count backwards from 100 to 1 or 0			
	I can count backwards from 100 beginning from any number			
	I can count backwards from values beyond 100 beginning from any number			
	I can count in multiples of 2's			
	I can count in multiples of 5's			
	I can count in multiples of 10's			
	I can identify a number one more than a number given			
	I can identify a number one less than a number given			
	I can identify numbers and use objects or pictures to show their value			
	I can read numbers up to 100 in numerals			
	I can write numbers to 20			
+ & -	I can recall and use number bonds to 20 (Silver 2)			
	I can recall and use subtraction facts to 20 (Silver 8)			
	I can add a one digit and two digit numbers to make 20.			
	I can subtract a one digit and two digit numbers to make 20.			
	I can solve problems using objects and/or pictures			
x & ÷	I can solve one step multiplication problems using objects			
	I can solve one step multiplication problems by drawing pictures			
	I can solve one step multiplication problems using arrays			
	I can solve one step division problems using objects			
	I can solve one step division problems by drawing pictures			
Fractions	I can recognise, find, name a half of an object			
	I can recognise, find, name a half of a shape			
	I can recognise, find, name a half of a quantity			
	I can recognise, find, name a quarter of an object			
	I can recognise, find, name a quarter of a shape			
	I can recognise, find, name a quarter of a quantity			

Measurements	I can solve practical problems for length and height			
	I can solve practical problems for mass and weight			
	I can solve practical problems for capacity and volume			
	I can solve practical problems for time			
	I can record length and height			
	I can record mass and weight			
	I can record capacity and volume			
	I can record time			
	I can recognise different coins and notes			
	I know the value of different coins and notes			
	I can sequence events in chronological order			
	I know the days of the week			
	I know the months of the year			
	I can tell the time to the hour			
	I can tell the time to half past the hour			
	I can draw the hands on a clock face to show the hour			
I can draw the hands on a clock face to show the half hour				
Geometry	I can recognise and name the 2-D shapes - rectangle, square, circle and triangle			
	I can recognise and name the 3-D shapes - cube, cuboid, sphere and pyramid			
	I can describe the movement - whole turn			
	I can describe the movement - half turn			
	I can describe the movement - quarter turn			
	I can describe the movement - three quarters turn
