

Band 2 - Mathematic Tracker

Place Value	I can count from 0 in multiples of 2			
	I can count from 0 in multiples of 3			
	I can count from 0 in multiples of 5			
	I can count forwards in tens from any number			
	I can count backwards in tens from any number			
	I can recognise the place value of each digit in a two-digit number			
	I can read and write numbers up to 100 in numerals			
	I can read and write numbers up to 100 in words			
	I can compare numbers up to 100			
	I can order numbers up to 100			
	I can solve problems practically involving numbers			
+ & -	I can recall and use addition facts to 20 (Gold 1)			
	I can recall and use subtraction facts to 20 (Gold 3)			
	I know and use facts to 100			
	I can add a two digit number and ones, using counters or pictures			
	I can add a two digit numbers and tens, using counters or pictures			
	I can add two 2-digit number, using counters or pictures			
	I can add three 1-digit numbers, using counters or pictures			
	I can subtract a two digit number and ones, using counters or pictures			
	I can subtract a two digit numbers and tens, using counters or pictures			
	I can subtract two 2-digit number, using counters or pictures			
	I can check my answers using the inverse			
	I can solve problems using objects and/or pictures			
	x & ÷	I can recall and use multiplication facts for the 2 multiplication tables		
I can recall and use multiplication facts for the 5 multiplication tables				
I can recall and use multiplication facts for the 10 multiplication tables				
I can recall and use division facts for the 2 multiplication tables				
I can recall and use division facts for the 5 multiplication tables				
I can recall and use division facts for the 10 multiplication tables				
I can solve multiplication and division problems using arrays				
I can solve multiplication and division problems using repeated addition				
I can solve multiplication and division problems using mental methods				

Fractions	I can recognise, find, name and write fractions of a length			
	I can recognise, find, name and write fractions of a shape			
	I can recognise, find, name and write fractions of a set of objects			
	I can recognise, find, name and write fractions of quantities			
	I can write simple fractions			
	I can recognise simple equivalent fractions			
Measurements	I can estimate and measure in m and cm			
	I can estimate and measure in g and kg			
	I can estimate and measure in l and ml			
	I can estimate and measure in °C			
	I can compare lengths			
	I can compare mass			
	I can compare capacity			
	I can order lengths			
	I can order mass			
	I can order capacity			
	I can recognise and use symbols for pounds (£) and pence (p);			
	I can combine amounts of money to make a particular value			
	I can find different combinations of coins that equal the same amounts of money			
	I can solve simple problems practical involving money and giving change			
	I can compare and sequence time			
	I can tell and write the time to five minutes			
	I can draw the hands on a clock face to show times			
	I know the number of minutes in an hour			
I know the number of hours in a day.				
Geometry	I can identify 2-D shapes			
	I can describe 2-D shapes - sides, lines of symmetry			
	I can identify 3-D shapes			
	I can describe 3-D shapes - edges, vertices & faces			
	I can identify the 2-D shapes in a 3-D shape			
	I can compare 2D and 3D shapes and everyday objects			
	I can order 2D and 3D shapes and everyday objects			
	I can order/arrange maths objects into patterns			
	I can use mathematical vocabulary to describe position, direction and movement			
	I know that a quarter of a turn is a right angle			

Statistics	I can interpret data on a pictogram			
	I can interpret data on a tally chart			
	I can interpret data on a block diagram			
	I can interpret data on a simple tables			
	I can construct data on a pictogram			
	I can construct data on a tally chart			
	I can construct data on a block diagram			
	I can construct data on a simple tables			
	I can ask and answer simple questions by counting the number of objects in categories			
	I can ask and answer questions about totalling and comparing data
