

12th April 2021

Dear Parents/Carers,

At Airedale Infant School we believe that every child should be taught to read as this is an essential life skill that provides access to many life experiences. Children must acquire good reading skills in order to access the information that will support their development in all curriculum areas. Nursery Rhymes are a great tool for young children beginning learning to read, as they are essentially short stories.

To support our children in learning nursery rhymes we would like to build on the success of 'Nursery Rhyme of the Week'. We will send your child a different nursery rhyme each week through Seesaw for you to practise at home.

Below is a table that outlines our number, shape, colour and rhyme of the week for next half term. We would love to see any objects or items at home that your child has found relating to the rhyme, number, shape or colour of the week on the Learning Book or Seesaw.

Please note that we are going to have a focus number running across two weeks so that we can deepen children's knowledge around each number.

Week Beginning:	Number	Shape	Colour	Rhyme
12 th April	4	Circle	Gold	Two Little Dickie Birds
19 th April	4	Square	Green	The Little Piggy
26 th April	5	Oblong	Yellow	Miss Polly Had A Dolly
3 rd May	5	Triangle	Blue	Rub-a-Dub-Dub
10 th May	6	Diamond	Red	The Farmer's in His Den
17 th May	6	Hexagon	White	I Hear Thunder
24 th May	7	Cube	Black	Hot Cross Buns

Thank you for your continued support.

Thank you,
Miss Brazel
