

18th September 2020

Dear Parents/Carers,

Following our Learning Book launch video we would like to give all parents/carers the opportunity to upload a photo to Learning Book to support your child's learning journal.

We would find it really useful if you could upload onto Learning Book any photographs of your child with members of their family or completing an activity that they enjoy. We will then take time in school to look at these photos with your child and complete speaking and listening activities as a whole class or in small groups.

If you are having problems signing in to Learning Book please speak to a member of staff who will be happy to help!

Please remember that you can also take a 'Busy Bag' or 'Story Sack' home to support your child's learning each day from Nursery and these are available every Wednesday for Reception children.

Thank you for your continued support,
Early Years Foundation Stage Team
