### Learning Book Launch Video for Parents

Dear Parents/Carers,

We would like to inform you of an exciting approach in observing and assessing children's learning here at Airedale Infants School.

As you are probably aware, the Early Years Foundation Stage (EYFS) has its own curriculum. We have been working together with 'Learning Book' to adopt a more modern alternative. Learning Book is an Electronic Learning Journey which uses a secure hand-held tablet to collect not only photographs, but video and audio clips as well. These will then be linked to the appropriate areas of the EYFS. Each class has their own tablet and the information is stored on a secure server which is encrypted and password protected, so it can only be accessed by the parents and EYFS staff.

You should have received an email with a link to create a password for your Learning Book account. You will be able to access your child's learning journey at home and even add your own comments and photographs. We feel this will enable you to gain access to your child's learning and progress on a much more frequent basis and enjoy sharing those memorable moments as they happen.

Miss Brazel would normally hold a meeting to show parents how to access Learning Book and use the content. Unfortunately it is not possible to hold a meeting at this time. Therefore Miss Brazel has recorded a video with information on how to use and access Learning Book. This will be available to watch on your child's class page on the schools website from Monday 12th April.

If you have not yet signed up to Learning Book please ask a member of staff who will be happy to support you in filling out a permission slip.

If you have any questions or are having problems with logging on to Learning Book please contact [hbrazel@airedaleinfants.com](mailto:hbrazel@airedaleinfants.com)

Yours sincerely  
H Brazel
