Monday 1<sup>st</sup> March 2021

Dear Parents/Carers,

As we plan to return to school from 8<sup>th</sup> March 2021, we would like to take this opportunity to thank parents and carers for their continued support during the remote learning period. We are exceptionally proud of how well all children and parents have adapted to the changes and continued their learning with your support at home.

Upon your child's return to school we ask for all parents/carers who have signed out laptop/tablet devices from school to return these to the Learning Mentors, who will be on the playground daily.

**All devices should be returned to school no later than Wednesday 10 March 2021**, so we can account for them all and allocate the devices to classes, to further enhance our ICT provision across school.

Devices should be returned alongside their chargers and any other accessories loaned. Upon their return to school, staff will conduct a check to ensure devices are in full working order and have all accessories returned with them.

When returning these devices to adults on the playground, please ensure you wear a face covering and comply with social distancing to support us to keep everyone safe.

If devices are not returned by 3pm on Friday 12<sup>th</sup> March, parents will be contacted directly by school. If you have any issues with this or are self-isolating within this time period, please contact the school office on the numbers above and we will arrange for an alternative return.

We look forward to welcoming all children back to school from Monday 8<sup>th</sup> March 2021 and would like to again thank you for your continued support.

Mrs Robinson  
Primary Executive Head Teacher
