

## Physical Development

Using scissors to cut lines to make Chinese lanterns  
Copying letters from name cards  
Climbing nursery equipment using alternate feet, practising to land safely when jumping  
Drawing circles and lines to make a coloured pattern  
Making a 'Leaning Tower of Pisa' using pasta, playdough and straws

## Mathematics

Representing numbers using fingers and in pictures  
Counting toppings to put on a pizza  
Ordering snakes by length using words to describe size  
Using 2D shapes to make patterns and pictures  
Using positional language to direct the

## Literacy

### Reading

Learning a new nursery rhyme each week  
To describe story settings and events  
Retelling the 'Great Race'

### Writing

Writing Easter and Mother's day cards  
Writing a list of ingredients that we need to make pizza  
Decorating a sombrero by drawing different shapes and lines

## PSED

Sharing and taking turns following nursery routines  
To play in a group in small world and role play areas, acting out stories and responding to what others are saying  
To talk about experiences from home or some where they have been from around the world

## Communication and Language

Giving directions to the Easter bunny  
To use new topic vocabulary in their play  
To listen to and follow instructions when making a stir fry and pizza  
To retell stories and join in with repeated phrases from stories

## Expressive Arts and Design

Pretending to be customers, waiters and waitresses in our very own ice-cream parlour, pizza shop and garden centre role  
Exploring how colours can be changed with paint when decorating Papel Picados and learning about the Hindu festival of colour Holi  
Using different construction materials to make pyramids, towers and walls from around the world  
Small world football 'World Cup' - acting out stories

## Understanding the World

To comment and ask questions about the countries we are learning about  
To explore countries through tasting different foods and wearing different clothes  
To show skill in completing a game on the smartboard or iPad
