

Monday 28th September

Breakfast Club

Dear Parents Carers,

After much deliberation and consideration of the new government guidelines, we have had to take the difficult decision to close the Breakfast Club with immediate effect. We took all the necessary and recommended steps when we initially opened, but feel that we are no longer able to manage this with reduced staffing capacity in school.

In the light of the new guidelines, we have further restricted the class bubbles to ensure we have minimised contact wherever we can. All monies from week commencing 28th September will be refunded in accordance with your original payment method.

We understand that this may cause some difficulties around your childcare and cannot apologise enough for this, but we have to put the overall safety and security of staff and children at the top of our priority.

Mrs Robinson
